

MarkSmart SG

by App-cellence Pte Ltd, Singapore

For tuition centres & tutors

Practice papers that mark themselves

P5 & P6 (PSLE) · Maths · Science · English · Chinese

Why MarkSmart

Self-marks & scores

Marks itself the moment your child submits.

Parent summary

Score, strong areas, questions to revisit and next steps after every paper.

Try again with similar questions

New questions of the same type for weak spots.

Listening Comprehension plays twice

with transcripts: just like exam day.

Exam-standard, original questions

Written to the MOE syllabus, with P6 papers in the 2026 PSLE format.

Full solutions in every subject

Every answer explained, with worked solutions.

Skills to work on

Shows which skills need more practice.

Practice + Exam mode

Sit it timed with a countdown like the real exam, or practise with instant checking.

Printable PDFs

Question paper plus answers in every exam pack.

Any device, no app to install

Works in any browser on a phone, tablet or computer.

COMING SOON

- English composition practice with AI marking, plus 3 model essays per question
- Catch-up lessons for weak topics (Maths)

How the price compares (4 subjects, per year)

Assessment books	about S\$159 / yr	4 subjects, marked by hand
